

Jusoor International Center for Media And Development

JUSOOR INTERNATIONAL CENTER FOR MEDIA AND DEVELOPMENT

Who are we?

An international organization that works to develop positive practices related to media and human development, and contributes to promoting positive initiatives for all actors in the fields of media, human development issues, freedom of opinion, and human conscience in a manner that contributes to developing the message and discourse of global media on one hand and on the other hand, upgrading the human rights situation in the world, which goes in line with the values, principles, and directives advocated by the Universal Declaration of Human Rights and urged by the Universal Declaration of Development.

JUSOOR INTERNATIONAL CENTER FOR MEDIA AND DEVELOPMENT

Jusoor International for Media and Development works on the basis of the Social engagement established by the UN by affirming the role and participation of the civil society in disseminating and promoting community culture and public opinion in order to promote peace and global tolerance, which contributes to strengthening the commitment of countries to the UN agenda for sustainable development agenda and it's people-centered agenda.

JUSOOR INTERNATIONAL CENTER FOR MEDIA AND DEVELOPMENT

That makes JIMD one of the most unique and inspiring organizations on both Arab and Western levels, as its legacy and history derived from many years of work in helping and developing media, rights, and fundamental cases in the world, with the support of experts who worked in media, journalism, and rights for, those practices were enshrined in the inauguration of this organization, which will play a major and prominent role in upholding human values and principles, as well as promoting positive practices by countries, individuals and non-governmental organizations, in addition to maximizing active participation with all international and regional bodies, mechanisms dealing with culture, media, and human development.

JUSOOR INTERNATIONAL CENTER FOR MEDIA AND DEVELOPMENT

Our Message

Supporting positive international efforts aimed at strengthening attention to information and human development issues, upholding lofty humanitarian values and principles, and guaranteeing everyone to enjoy their rights and freedom with justice and without any discrimination.

Our Mission

Jusoor International for Media and Development adopts the principle of participating and complementariness to interact with all active sides in media and human rights and development fields as it also works to achieve constructive and positive participation aimed at developing legislations, countries' activities, and organizations related to media and human development, as well as creating a positive, effective and accomplished partnership that will contribute to strengthening respect for lofty human values and principles.

JUSOOR INTERNATIONAL CENTER FOR MEDIA AND DEVELOPMENT

Goals/Objectives

- Supporting and promoting universal values and principles of human rights and human development as enshrined in universal declarations and international legislations.
- To support and strengthen international efforts to strengthen the fulfillment by countries of their international obligations, in particular those relating to the freedom of speech and the right to human development.
- Support and strengthen the programs of countries related to the implementation of the United Nations Agenda for Sustainable Development 2015-2030.
- Support and strengthen international efforts to establish the principles of equality, justice, equal citizenship, and peaceful coexistence and to promote the values of dialogue, tolerance, and peace in the world.

JUSOOR INTERNATIONAL CENTER FOR MEDIA AND DEVELOPMENT

- To support and promote peace and human dialogue and against all forms of violence, intolerance, and extremism.
- Support and strengthen international efforts to empower women and ensure that they enjoy their rights fairly without discrimination.
- Support and strengthen capacity-building efforts and the training of human rights experts.
- To support and promote community awareness of human development and to dedicate and deepen its values and concepts in society.

Funding

Jusoor International for Media and Development counts on its independent resources for funding and welcomes the support of its projects, programs, and activities in a transparent and fully independent manner from the various stakeholders that would support us and believe in our pivotal role in the field of human rights.

JUSOOR INTERNATIONAL CENTER FOR MEDIA AND DEVELOPMENT

Work Charter

Believing in the importance of strengthening the commitment of countries in a humane approach in terms of sustainable development plans and programs, and to ensure the enjoyment by all of their rights and freedoms, that was mentioned in the International Bill of Human Rights, JIMD will strive to uphold the values and principles that were called for in the Universal Declaration of Human Rights and the UN Right to development declaration, in addition to promoting the developing social and institutional awareness, in the line with the culture of peace and tolerance, and the rejection of militant and hate speech.
